PLAYING PHANTASMAGORIA

PASSWORD PROTECTION

Phantasmagoria gives players the option to exclude access to explicit scenes. Your game begins in the uncensored mode. Once you begin playing the game, you can make the choice to stay in the uncensored mode or switch to the censored version. If you wish to switch, simply click on the Control button (P) in the bottom center of the main menu, select the "censored" option and you will be asked to input a password. From this point on, all game play will be censored. Restoring a previously saved game (uncensored only) or switching back to the uncensored mode will require typing in the password, so don't forget it! (If you do forget your password and are stuck in the censored version, you must re-install the game to get back to the uncensored version.)

THE FIRST SCREEN

Watch Introduction

- ☞ Click on this button to watch the introductory movie.

Start New Game

- ☞ Click on this button to start a new game. After installation, the game always begins "uncensored," and the introduction does contain a

non-explicit adult scene, however, you can change to censored mode of play prior to viewing any explicit scenes.

- ✦ Type in a name to call your game, then click on Done. You must give your game a unique name that you have not used before.
- ✦ Select a chapter number (1-7). You have the option of starting a game at the beginning of any chapter. The necessary inventory items will be provided for you.
- ✦ Watch the opening sequence.
- ✦ Begin play.
- ✦ Input a password at this time if you wish to play the "censored" version.

Continue Old Game

- ✦ Click on this button to continue a previously saved game. The game will pick up at the last place you left your bookmark.

Quit

- ✦ Click on this button to quit the game.

About

- ✦ Click on this button to get information about the game and game credits.

Watch Movie

- ✦ Once you have started the "chase" sequence in Chapter 7, the "Watch Movie" button will appear. Selecting this button will replay the chase corresponding to the save game you choose. You can choose to resume game play where you last left off once the replay is complete.

THE INTERFACE

THE CURSOR

The Phantasmagoria interface is based on a single cursor. With this cursor, you can fully explore and interact with the game world. Move the cursor over the screen. When passed over an interactive object or location, the cursor will highlight. Click the left mouse button while the cursor is highlighted and watch what happens next!

INVENTORY OBJECTS

1. Taking Inventory Objects

Sometimes when you click a highlighted cursor on an object within the gaming area, the item will disappear from the scene when Adrienne takes it and reappear in an inventory box at the bottom of the screen. The game is designed so that Adrienne will only need a maximum of eight inventory items in her possession at any given time.

2. Examining Inventory Objects

It's a good idea to examine all the inventory objects you collect. To do so, click on an item in the inventory box. The cursor icon changes to show your selection, which will look like the selected inventory item. Click the inventory cursor on the eyeball located on the lower right hand side of the interface panel. The object appears in 3-D within an inset on the screen. Rotate the object by clicking to the left or right of it within the inset. Close the inset window by clicking on the box in the upper left hand corner. Then click the cursor in an empty inventory box to store the object.

3. Manipulating Inventory Objects

When examining an inventory object in the three-dimensional view, be sure to move the cursor over the object thoroughly. If the cursor highlights, click on that spot to reveal the object's hidden secret.

4. Using Inventory Objects

If you want to use an inventory object in the game, click on the inventory box to pick up the item. The cursor will change to show your selection. Move the cursor over the game screen. It will highlight when passed over an area or object where the inventory item can be used.

THE CONTROL BUTTON

The control button (P) is located in the middle of the interface panel at the bottom of the screen. Click this button to access the following game control options.

CHAPTER PROGRESS GAUGE

This bar keeps track of how far along you are in the current chapter of this particular game.

RESTORE

This button gives you the chance to go back to the last place you dropped a bookmark. Please bear in mind that restoring causes any progress made since the last bookmark to be lost. The Cancel option lets you back out of your decision to restore and returns you to the game where you left off.

SAVE

The Save option lets you move the bookmark to your current position in the game, thus saving your progress up to that point. If you change your mind, choose Cancel to leave the bookmark where it was and return to the game.

PLAY

This button closes the options panel and returns you to your game.

QUIT

The Quit button gives you several options. You can move the bookmark to the current point in the game and then quit. You can quit the game without dropping a bookmark. If you do not update the bookmark's position, restoring this game will return you to the last place the bookmark was dropped. Canceling returns you to your present position in the game.

VOLUME

Click on the up and down arrows to adjust the volume accordingly.

SCREEN SIZE

Depending on your computer's capabilities, you may have the option of seeing the movie sequences either as half screen or full screen. Full screen movies are the best, but if they appear slow or out of sync, try selecting "half size."

RATING

Phantasmagoria automatically defaults to the uncensored version. You can decide to switch to the censored version of the game, in which some scenes have been edited to screen out adult content. Restoring an "uncensored" game will require typing in the password again.

THE >> BUTTON

The Fast Forward button allows you to skip ahead to the end of a computer controlled movie sequence. Caution: if you haven't already played a section of the game, fast forwarding may cause you to miss something important! The >> button changes to an Exit button during some close-up shots. Click Exit to leave the close-up window.

THE HINTKEEPER ICON

To the left of the interface panel is a helpful skull known as the Hintkeeper. If you find yourself in a desperate situation and need a tip on how to proceed, click on the Hintkeeper. But beware, he makes no bones about his assistance. You would be wise not to ask for help until you have tried everything else you can imagine first.

HINTS

Consider Your Next Move Carefully.

An introduction to game strategy, including hints and puzzle solutions.

Experienced or especially courageous gamers may choose to skip ahead to page 17, rather than avail themselves of the following assistance.

The introduction sequence sets the unsettling mood.

Then you must begin a new game. (Last chance to turn back now.) You will be asked to name your game. When asked where you wish to begin, select Chapter 1. Watch the chapter's opening movie.

At its conclusion, you will have game control (as indicated by the cursor of a cross-like symbol).

Go ahead.

Turn the page.

What are you afraid of?

THE KITCHEN

Trouble brews.

Move the cursor around the room and notice where it highlights. Click on the kitchen drawers. Move the cursor over the close-up of the drawer. Notice how it highlights on the book of matches? Click on them and Adrienne will take the matchbook out of the drawer. It now appears in one of the eight inventory boxes in the interface panel. Click on the matchbook to select it. Your cursor will turn into a matchbook icon. Click it on the eye to the right of the icon bar. This will bring up a 3-D close-up of the matches.

Click to the right or left of the matches within the inset to make the matches spin around. Be sure to examine everything you collect, as some objects are more than they first appear. If an object holds a secret, the cursor will highlight when passed over it. Be on guard, for you may discover many hidden clues.

Place the matches back into the inventory box.

THE PANTRY

Where dark secrets are stored.

Click on the pantry door. Common sense dictates that Adrienne turns on the light before investigating further. Once that's done, she can check out the beautiful rug. What's this? The rug covers a trapdoor. Unfortunately, try as she might Adrienne cannot budge the stuck door. Perhaps she'll find something later to help her pry it open, but for now she'll just have to let it be. Leave the pantry. The cursor changes into an arrow to show the possible direction of movement. Click on the arrow leading out of the kitchen.

THE DINING ROOM & RECEPTION HALL

Set a place for terror.

Explore the dining room carefully, checking out all the highlighted hotspots.
What have you found? Did you look next to the fireplace?

Before Adrienne leaves the reception hall, have her start up the player piano, and gaze at Carno's portrait over the fireplace. Try to pry open any unlocked doors. Pet Spazz the cat, pick up the newspaper, check out the bottles in the bar, and test fate with the fortune-telling machine. Look at everything, test all the doors; there's much you could miss in this room of mystery.

THE BASEMENT

Danger lurks below.

You may have surmised that a fireplace poker makes an excellent tool for prying open the trapdoor in the pantry. Return there, and select it from inventory. Notice how it highlights when moved over the trapdoor. Whenever a particular item causes an inventory item to light up, click on that spot to see what happens.

Click the poker on the closed trapdoor. Use the poker to pry it open. Put the poker back in inventory, then try moving the cursor over the trapdoor. See how it turns into an arrow pointing into the darkness below. Click the arrow over the opening. Sure is dark down there! Fortunately Adrienne has matches. Get the matchbook out of inventory and move it over Adrienne. Click the matches on Adrienne to light them. Watch as she walks cautiously into the basement.

Fully explore the damp, eerie room. If these walls could talk, what tales of horror might they tell?

Cross the threshold into terror untold - A final word of warning...

Remember to look at everything and ask yourself a lot of questions. Be constantly aware of your environment, because things may change when your back is turned. Explore the mansion, the grounds and the village. Make repeated visits to places you have already been; things may be different now. Talk to everyone. Though they all seem so pleasant on the surface, you'll probably uncover a nasty little secret or two if you pry. Pick up anything that isn't staked down.

If you sense danger approaching, click on the "P" in the center of the icon bar. Use the Save option to move your bookmark to your current location. This way, if something terrible happens (and believe us, it will), you can restore the game back to the place you left the bookmark and replay that section to a more desirable conclusion. If you get stuck and need a hint, click on the helpful skull located on the left side of the icon bar.

You are now ready to proceed on your own. Take a deep breath, dry your palms, swallow hard and prepare yourself for the adventure, the excitement and the horror that is:

ADDITIONAL INFORMATION

Phantasmagoria is one of the most sophisticated software packages ever produced. Sierra On-Line has incorporated new graphic technology along with a full range of music and sound capabilities to push the limits of today's computers. Turn down the lights, crank up the volume on your speakers, and let your imagination run wild!

RECOMMENDATIONS:

Microsoft Windows, by nature of its Graphical User Interface, uses a substantial amount of your system's resources, thereby leaving less "horsepower" to run graphic intensive programs such as Phantasmagoria. Therefore, depending on your system, we may recommend running the program in MS-DOS as opposed to Windows.

HANDY TO KNOW:

- ❖ To run the game in MS-DOS, type "CD C:\SIERRA" (or wherever you installed the game) and press ENTER. Then type "PHCD" and press ENTER again.
- ❖ Autoplay is supported in Windows95. Just insert the CD to run the game.
- ❖ Hints for the Chapter 7 interactive movies are displayed as text rather than spoken dialog.
- ❖ Please refer to the Readme files for additional information on Chapter 7 movie bookmarks.
- ❖ Advanced options in the Phantasmagoria Control Panel include:
 - Full Screen / Half Screen** - controls the movie display size. "Half Screen" helps the movies play better on low-end computers.
 - Movie Detail Off / On** - controls the movie display. "Off" helps the movies play better on low-end computers by inserting black lines in the movies. Black lines draw faster but darken the movies. Many users actually prefer the black lines for its visual appeal.

Movie Brightness - especially useful if you are using the black lines feature.

Title Bar Off / On - hides the Phantasmagoria Windows title bar. You must quit and restart the game for this to work.

MIDI volume control - controls the background music in the game.

DAC volume control - controls the speech, sound effects, and other music in the game. Users may experience degradation in audio quality when turning down the DAC. We recommend that you try adjusting the volume levels on your speakers or mixer settings first.

- If you have any problems, please refer to the extensive help files. In MS-DOS run **INSTALL** and view **README**. In Windows, double-click on the Readme icon.

Customer Support

For the support for all your games bought through GOG.com, please visit our Support page at <http://www.gog.com/support>.

If you're logged in, go directly to "Support" page, where you can see a list of all your Good Old Games, otherwise you can find the game you're looking for through the smart search. Choose the game that you have problem with and see whether the solution isn't already posted.

If not, go to the "Contact us" page, select "Technical issues with games" and hit "Continue" to send us a message describing your problem. Fill all the required fields with proper data - please enter as much details as you can, this will help us solve your problem faster.

All your messages and our replies will appear on your "My Account" page.

Software License Agreement

IMPORTANT - READ CAREFULLY: USE OF THIS PROGRAM IS SUBJECT TO THE SOFTWARE LICENSE TERMS SET FORTH BELOW. "PROGRAM" INCLUDES ALL SOFTWARE INCLUDED WITH THIS AGREEMENT, THE ASSOCIATED MEDIA, ANY PRINTED MATERIALS, AND ANY ONLINE OR ELECTRONIC DOCUMENTATION, AND ANY AND ALL COPIES OF SUCH SOFTWARE AND MATERIALS. BY OPENING THIS PACKAGE, INSTALLING, AND/OR USING THE PROGRAM AND ANY SOFTWARE PROGRAMS INCLUDED WITHIN OR, IF YOU ARE DOWNLOADING THIS PROGRAM FROM AN AUTHORIZED ACTIVISION ONLINE RESELLER, BY DOWNLOADING, INSTALLING AND/OR USING THIS PROGRAM, YOU ACCEPT THE TERMS OF THIS LICENSE WITH ACTIVISION PUBLISHING, INC. AND ITS AFFILIATES ("ACTIVISION").

LIMITED USE LICENSE. Subject to the conditions described below, Activision grants you the non-exclusive, non-transferable, limited right and license to install and use one copy of this Program solely and exclusively for your personal use. All rights not specifically granted under this Agreement are reserved by Activision and, as applicable, Activision's licensors. This Program is licensed, not sold, for your use. Your license confers no title or ownership in this Program and should not be construed as a sale of any rights in this Program. This Software License Agreement shall also apply to any patches or updates you may obtain for the Program.

LICENSE CONDITIONS.

You shall not:

- Exploit this Program or any of its parts commercially, including but not limited to use at a cyber cafe, computer gaming center or any other location-based site. Activision may offer a separate Site License Agreement to permit you to make this Program available for commercial use; see the contact information below.
- Use this Program, or permit use of this Program, on more than one computer, computer terminal, or workstation at the same time.
- Make copies of this Program or any part thereof, or make copies of the materials accompanying this Program.
- Copy this Program onto a hard drive or other storage device except as specifically permitted herein; you must run this Program from the included CD-ROM or DVD-ROM (although this Program itself may automatically copy a portion of this Program onto your hard drive during installation in order to run more efficiently) unless you are downloading this Program from an authorized Activision online reseller.
- Use the program, or permit use of this Program, in a network, multi-user arrangement or remote access arrangement, including any online use, except as otherwise explicitly provided by this Program.

- Sell, rent, lease, license, distribute or otherwise transfer this Program, or any copies of this Program, without the express prior written consent of Activision.
- Reverse engineer, derive source code, modify, decompile, disassemble, or create derivative works of this Program, in whole or in part.
- Hack or modify (or attempt to modify or hack) the Program, or create, develop, modify, distribute or use any software programs, in order to gain (or allow others to gain) advantage of this Program in an on-line multiplayer game settings including but not limited to local area network or any other network play or on the internet.
- Remove, disable or circumvent any proprietary notices or labels contained on or within the Program.
- Export or re-export this Program or any copy or adaptation in violation of any applicable laws or regulations of the United States government.

PERMITTED INSTALLATION. If you are downloading this Program from an authorized Activision online reseller, you may install this Program onto your computer hard drive.

OWNERSHIP. All title, ownership rights and intellectual property rights in and to this Program (including but not limited to any patches and updates) and any and all copies thereof (including but not limited to any titles, computer code, themes, objects, characters, character names, stories, dialog, catch phrases, locations, concepts, artwork, animation, sounds, musical compositions, audio-visual effects, methods of operation, moral rights, any related documentation, and "applets" incorporated into this Program) are owned by Activision, affiliates of Activision or Activision's licensors. This Program is protected by the copyright laws of the United States, international copyright treaties and conventions and other laws. This Program contains certain licensed materials and Activision's licensors may protect their rights in the event of any violation of this Agreement.

PROGRAM UTILITIES. This Program may contain certain design, programming and processing utilities, tools, assets and other resources ("Program Utilities") for use with this Program that allow you to create customized new game levels and other related game materials for personal use in connection with the Program ("New Game Materials"). The use of any Program Utilities is subject to the following additional license restrictions:

- You agree that, as a condition to your using the Program Utilities, you will not use or allow third parties to use the Program Utilities and the New Game Materials created by you for any commercial purposes, including but not limited to selling, renting, leasing, licensing, distributing, or otherwise transferring the ownership of such New Game Materials, whether on a stand alone basis or packaged in combination with the New Game Materials created by others, through any and all distribution channels, including, without limitation, retail sales and on-line electronic distribution. You agree not to solicit, initiate or encourage any proposal or offer from any person or entity to create any New Game Materials for commercial distribution. You agree to promptly inform Activision in writing of any instances of your receipt of any such proposal or offer.
- If you decide to make available the use of the New Game Materials created by you to other gamers, you agree to do so solely without charge.
- New Game Materials shall not contain modifications to any COM, EXE or DLL files or to any other executable Product files.
- New Game Materials may be created only if such New Game Materials can be used exclusively in combination with the retail version of the Program. New Game Materials may not be designed to be used as a stand-alone product.
- New Game Materials must not contain any illegal, obscene or defamatory materials, materials that infringe rights of privacy and publicity of third parties or (without appropriate irrevocable licenses granted specifically for that purpose) any trademarks, copyright-protected works or other properties of third parties.

- All New Game Materials must contain prominent identification at least in any on-line description and with reasonable duration on the opening screen: (a) the name and E-mail address of the New Game Materials' creator(s) and (b) the words "THIS MATERIAL IS NOT MADE OR SUPPORTED BY ACTIVISION."
- All New Game Materials created by you shall be exclusively owned by Activision and/or its licensors as a derivative work (as such term is described under U.S. copyright law) of the Program and Activision and its licensors may use any New Game Materials made publicly available by you for any purpose whatsoever, including but not limited to, for purpose of advertising and promoting the Program.

LIMITED WARRANTY: Excepting patches, updates and any downloaded content, and this Program if you are downloading it from an authorized Activision online reseller, Activision warrants to the original consumer purchaser of this Program that the recording medium on which the Program is recorded will be free from defects in material and workmanship for 90 days from the date of purchase. If the recording medium is found defective within 90 days of original purchase, Activision agrees to replace, free of charge, any product discovered to be defective within such period upon its receipt of the Product, postage paid, with proof of the date of purchase, as long as the Program is still being manufactured by Activision. In the event that the Program is no longer available, Activision retains the right to substitute a similar program of equal or greater value. This warranty is limited to the recording medium containing the Program as originally provided by Activision and is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect has arisen through abuse, mistreatment, or neglect. Any implied warranties prescribed by statute are expressly limited to the 90-day period described above.

EXCEPT AS SET FORTH ABOVE, THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT, AND NO OTHER REPRESENTATIONS OR CLAIMS OF ANY KIND SHALL BE BINDING ON OR OBLIGATE ACTIVISION. IN NO EVENT WILL ACTIVISION BE LIABLE FOR SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGE RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THIS PRODUCT, INCLUDING DAMAGE TO PROPERTY AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURY, EVEN IF ACTIVISION HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS AND/OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS AND/OR EXCLUSION OR LIMITATION OF LIABILITY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

Except with respect to patches, updates, downloaded content and this Program if you download it from an authorized Activision online reseller, please refer to Warranty procedures relating to your country of residence from the lists below. If you download this Program from an authorized Activision online reseller, please refer to your authorized Activision online reseller for warranty information and procedures.

TERMINATION: Without prejudice to any other rights of Activision, this Agreement will terminate automatically if you fail to comply with its terms and conditions. In such event, you must destroy all copies of this Program and all of its component parts.

U.S. GOVERNMENT RESTRICTED RIGHTS: The Program and documentation have been developed entirely at private expense and are provided as "Commercial Computer Software" or "restricted computer software." Use, duplication or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restrictions set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clauses in DFARS 252.227-7013 or as set forth in subparagraph (c)(1) and (2) of the Commercial Computer Software Restricted Rights clauses at FAR 52.227-19, as applicable. The Contractor/Manufacturer is Activision Publishing, Inc., 3100 Ocean Park Boulevard, Santa Monica, California 90405.

INJUNCTION: Because Activision would be irreparably damaged if the terms of this Agreement were not specifically enforced, you agree that Activision shall be entitled, without bond, other security or proof of damages, to appropriate equitable remedies with respect to breaches of this Agreement, in addition to such other remedies as Activision may otherwise have under applicable laws.

INDEMNITY: You agree to indemnify, defend and hold Activision, its partners, affiliates, licensors, contractors, officers, directors, employees and agents harmless from all damages, losses and expenses arising directly or indirectly from your acts and omissions to act in using the Product pursuant to the terms of this Agreement.

MISCELLANEOUS: This Agreement represents the complete agreement concerning this license between the parties and supersedes all prior agreements and representations between them. It may be amended only by a writing executed by both parties. If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable and the remaining provisions of this Agreement shall not be affected. This Agreement shall be construed under California law as such law is applied to agreements between California residents entered into and to be performed within California, except as governed by federal law and you consent to the exclusive jurisdiction of the state and federal courts in Los Angeles, California.
